

CALL FOR PAPERS

The **3rd International CILS4EU User Conference** will take place in **Mannheim, Germany** from **February 7 to February 8, 2019**. We welcome any contribution that makes use of the CILS4EU data, including either single country studies or cross-country comparative work, cross-sectional or longitudinal studies, studies on any substantive topic or with a methodological focus, as well as work based on the first three international waves or based on any of the national follow-up studies.

The 3rd International CILS4EU User Conference aims at bringing together the efforts of a constantly growing group of data-users that work on a vast array of topics from different research areas across several countries. It gives users the opportunity to present their ongoing or completed work, to receive comments and suggestions, to share their experiences with the data, and to get into contact with other CILS4EU data-users and the various research teams from CILS4EU.

If you want to participate in the conference, please submit your abstract (maximum 500 words) by **September 30, 2018** to cils4eu@mzes.uni-mannheim.de. All proposals will be peer-reviewed, and authors will receive a notification about the acceptance decision by the end of October.

Location:

Mannheim Centre for European Social Research (MZES)
University of Mannheim
A5, 6
68159 Mannheim, Germany

Additional information:

The conference itself is free of charge. Please note that we cannot reimburse travel costs. Our website www.cils4.eu is updated continuously to provide more information about the conference as well as the CILS4EU-survey.

Contact:

If you have any questions, please contact the local organisation team Dr. Hannes Weber, Lisa Sauter, Markus Weißmann, Hakan Yüçetas, and Dr. Jörg Dollmann via cils4eu@mzes.uni-mannheim.de
