International Conference on Training Career Counsellors for their Work with Refugees

Invitation

In late summer 2019, the Erasmus+ funded project „CMinaR - Counselling for Refugee and Migrant Integration into the Labour Market – Development of Courses for Higher Education and Public Employment Services“ will present its results and outcomes.

Our main objective was to enable career counsellors to adapt their competences to the specific needs of refugees seeking orientation and advice for their way into the labour markets and societies of their receiving countries in the EU.

We therefore developed higher education courses for students and practitioners of career counselling in Europe.

On 27 August 2019, we would like to invite you to Berlin to hear and see the course modules we developed, to discuss your views on the topic with the participants of an international conference, and to present your research and work in our poster gallery.

We will also have two presentations, one on the importance of our efforts and one on an important topic we could not integrate in our course modules: the effects of trauma.

As this event is funded by the European Union, there will be no charge for participating and we will provide a lunch and coffee buffet. Travel and accomodation is not covered. We will gather in the centre of Berlin, in the Federal Press and Information Office.

For more details and the registration form, see www.CMinaR.EU.

We are looking forward to seeing you in Berlin!

International Conference on Training Career Counsellors for their Work with Refugees

Einladung

Im Spätsommer 2019 wird das von Erasmus+ geförderte Projekt „CMinaR - Counselling for Refugee and Migrant Integration into the Labour Market - Development of Courses for Higher Education and Public Employment Services“ seine Ergebnisse vorstellen.

Unser Hauptziel war es, beschäftigungsorientierte Beraterinnen und Berater in die Lage zu versetzen, ihre Kompetenzen an die spezifischen Bedürfnisse von Geflüchteten anzupassen, die Orientierung und Beratung für ihren Weg in die Arbeitsmärkte und Gesellschaften in Europa suchen.

Deshalb haben wir europäische Studien- und Weiterbildungskurse für die beschäftigungsorientierte Beratung entwickelt.

Für den 27. August 2019 laden wir Sie nach Berlin ein, um die von uns entwickelten Kursmodule und Ihre Ansichten zu diesem Thema mit den Teilnehmern einer internationalen Konferenz zu diskutieren sowie Ihre Forschung und Arbeit in unserer Postergalerie zu präsentieren.

Auf dem Programm stehen zudem zwei Vorträge - über die grundsätzliche Bedeutung des Konferenz-Themas und über die Auswirkungen von Traumata, ein bedeutsames Thema, das wir in unsere Kursmodule nicht integrieren konnten.

Da diese Veranstaltung von der Europäischen Union finanziert wird, sind die Teilnahme an der Veranstaltung sowie Essen und Getränke kostenlos. Kosten für Reisen und Unterkunft werden nicht übernommen. Wir werden uns im Zentrum Berlins, im Bundespresse- und Informationsamt, treffen.

Weitere Informationen und das Anmeldeformular finden Sie unter www.CMinaR.eu.

Wir freuen uns darauf, Sie in Berlin zu sehen!
